**RE: *United States v. Gustavo Chavez***  
**22 Cr. 303 (JMF)**

Dear Judge Furman,

I write to respectfully request a 45-day extension of Gustavo Chavez's surrender date, which is currently scheduled for April 7, 2025.

On March 28, 2025, and following a seven-and-a-half-week-long course of radiation therapy for his prostate cancer, Mr. Chavez appeared for a doctor appointment at Montefiore Hospital to reassess his Prostate-Specific Antigen (PSA) levels. The results of this testing will determine his prognosis and the need for further radiation treatment and/or hormone therapy. To afford Mr. Chavez sufficient time to obtain these results and receive any necessary additional treatment and monitoring, I respectfully submit that an extension of Mr. Chavez's surrender date is warranted. I have conferred with AUSA Andrew Jones who does not object to this application.

I thank the Court for its consideration of this motion.

Respectfully Submitted,
